

State Charter School Board

All Other Applications Policy

- (1) This policy governs Satellite, Replication, Expansion, and Amendment Applications.
- (2) The State Charter School Board (Board) will receive applications according to timelines and procedures set forth in the application process instructions.
 - a. Applications must be submitted on the correct and most current form, as available on the Board's website.
 - b. Applications not submitted in entirety according to the timelines and procedures will be administratively rejected subject to review and input from the appropriate Board committee.
- (3) Applications not meeting the minimum Board approved eligibility guidelines, as provided in the process instructions, will be administratively rejected subject to review and input from the appropriate Board committee.
- (4) Complete applications are considered and moved through the process by vote of the Board.
